

Yacht Clubs of Maryland Business Directory

In an effort to support our various Maryland member clubs, the Yacht Clubs of Maryland is preparing a comprehensive “Customer to Business” (C to B) and “Business to Business” (B to B) Directory. The goal of the directory is to facilitate and promote individual yacht club members to use the products and services of other yacht club members’ businesses.

The Directory is designed to:

- ✓ Promote business between our fellow Maryland clubs and their respective members
- ✓ Provide fellow clubs and members with better customer service than they would receive outside the boating community
- ✓ Provide potentially better pricing than fellow clubs and members would receive outside the boating community

As an example; if an individual yacht club member needed the services of a plumber, electrician or any other product or service, the Yacht Clubs of Maryland Directory would list all of the various plumber and electrician businesses, etc, owned by other Maryland yacht club members. The member needing those services would contact the club member’s business directly.

The Yacht Clubs of Maryland will be working through the various club officers to gather the information needed to compile the Directory.

We look forward to your support!
